

INSTITUTIONAL PREPAREDNESS FOR NEP:

BARPATHAR COLLEGE

Prepared by: Sunil Bhattacharjee (Assistant professor)

The National Education Policy was approved on 29th July 2020 by the Union Cabinet of India. The NEP 2022 is a comprehensive document that covers all aspects of education, from early childhood education to higher education and vocational training. It's an ambitious policy that seeks to transform the education system in India and make it world class. The preparedness of Barpathar college for the NEP is mentioned in detailed manner below:-

1.MULTIDISCIPLINARY/INTERDISCIPLINARY

- A.Barpathar College will focus on overall personality development of students by inculcating 21st century skills of learners. Our education would be aimed at developing all capacities of human beings:-intellectual, aesthetic, social, physical, emotional and moral values in an integrated manner.
- B.Barpathar College will organize programs to integrate humanities and science with stem, for example by arranging presentations and lectures by resource persons to inculcate basic scientific knowledge among humanities students.
- C.The institution offers flexible and innovative curricula that includes credit based courses and projects in the areas of community engagement and service, environmental education, and value based education ,as for example Yoga day celebration,

Human Rights day celebration ,Women’s day celebration, Road awareness program , environment day celebration etc.

D.The institute will offer a liberal education which can unlock all human capacities-intellectual, aesthetic, social, physical, emotional and moral values in an integrated manner.

E. The institution plans to find out the problems prevailing among the people in our society and aims to solve these problems by organizing various meetings and awareness campaign.

F. In view of NEP 2020 our college has organized various programs like vermicompost training, mushroom cultivation training, yoga day celebration, Human rights day celebration, Road safety day celebration etc.

2. ACADEMIC BANK OF CREDITS (ABC)

Till now the institution does not fulfill the requirements of ABC but soon it will be done as the institution started this Process.

3. SKILL DEVELOPMENT

The institution has introduced T.T.M.G as a skill development subject. The institution has also organized some vocational training programs, for example toy making training, painting workshop, vermicompost training program etc.

The institution also provides value based education by celebrating Human Rights day, Women’s day, Yoga day etc.

Vocational education in ODL for students will be started very soon. The institution is planning to introduce some vocational courses

with the help of Assam government as a part of degree course to ensure that all students get at least one vocational course before graduating.

Till now our college does not has any association with NSDC but in future we have plans to associate with them.

4.APPROPRIATE INTEGRATION OF INDIAN KNOWLWDGE SYSTEM (teaching in Indian language ,culture, using online course)

The institution provides degree for linguistic subjects such as Assamese, English ,Hindi ,Nepali ,Bodo ,but unfortunately we don't have teachers to teach Hindi , Bodo and Nepali. All other subjects are taught by teachers in bilingual mode mainly in Assamese and English.

The institution conducts various programs on Indian arts, North East culture. We are also trying to integrate Sanskrit and our local endangered languages like Tai language as a part of our college curriculum.

Among the good practices of our institution to integrate culture and language with education are the efforts of the faculties to support indigenous endangered languages and the discussions carried out by teachers with the students to highlight about the culture language, food habit and dresses of the 40 different communities who are inhabitants of Assam.

5.FOCUS ON OUTCOME BASED EDUCATION.

Emphasis is placed on a clearly articulated idea of what students are expected to know and be able to do. The institution provides good education to students, session on carrier counseling, training in mushroom cultivation, vermicompost etc, which will help them when they leave the institution.

6.DISTANCE EDUCATION/ONLINE EDUCATION.

The institution offers graduate and post graduate distance courses under K.K.H.S.O.U.
