FUTURE PLAN OF BARPATHAR COLLEGE

Since 1987 Barpathar College is a leading institution in the region, known for its quality education and commitment to student success. In view of future ahead, the college is poised to continue providing an effective education to its students. In the following paragraph and points will explore the future plans of Barpathar College.

One of the top priorities of Barpathar College is to continue investing in technology and innovation. As world is rapidly changing, technology plays an important role in education. College is committed to providing its students with the latest tools and resources to succeed. This includes cutting-edge technology in the classroom, such as interactive white boards, virtual reality simulations and online learning platform which will enhance the learning experience of the students.

Another key area of focus of Barpathar College is to expand its programme offerings. College will give more opportunities to the students to prepare themselves for successful careers after graduation.

As higher education is now more expensive and becoming financial burden for the families of this region, college will financially help to the families those who will submit proper documents.

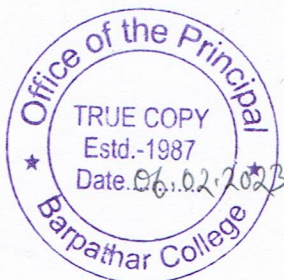

One of the most important future plans is to continue to foster a strong sense of community on campus. The college believes that a strong community is essential for student success and well-being. The college is also working to build strong relationship with local peoples to create opportunities for students to get involved in their community.

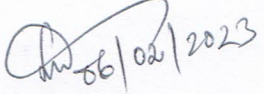

NEP 2020 PLAN OF BARPATHAR COLLEGE

In view of future plan of Barpathar College needs to reorient its strategy and college will ensure restructuring and reorientation of education under the guidelines of the State and Central Governments and the UGC- NEW Delhi. Barpathar College as per new Education Policy is concerned planning to take an agreement with the Nearby Institution which is Industrial Training Institute Barpathar under State Government. Policy is to provide our students some special training as they will able to cope up with their professional life.

College has some Future Plan as per the Requirements:

1. College planning to provide more effective student centric Methods.
2. Planning to organize more Faculty Development Programme.
3. Planning to organize International/ National Seminar.
4. College already constituted a Research Committee which will help the students to create a Research based environment for future.
5. Planning to build a proper Digital Library where students will be benefited.
6. Planning to make an Eco- system which will be a Model Institution for the Local Community at large.
7. Put more importance on NEP-20 as to cope up with the education Policy of the Government.
